

Dates, Times and Location

Registration and bin inspection will take place up through 1:30 PM on May 2, 2009. Apple bin race teams that want to push their apple bin in the Classy Chassis Parade must have the bin inspected by the Tech Team by May 1 at 5 PM. If your team doesn't have an apple bin and you would like to borrow one or you need to make an inspection appointment, please call the Parks Office at 884-8015.

Rules and General Info

- Teams consist of 1 driver, 4 pushers
- The driver must sit inside the apple bin and wear a bicycle/motorcycle helmet
- All 4 pushers must be holding onto the apple bin when it crosses the finish line
- Switching team members - Must have approval of Race Coordinator and new members must sign a new form
- The racing distance is 100 feet
- Grudge races will be allowed after the scheduled race events are finished
- Guaranteed 2 races (double elimination format)
- No motorized or assist devices are allowed on racers or apple bins
- Shoes with cleats are allowed
- All ties will be re-raced
- Gambling is not allowed

- No handing out of business flier/brochures or encouraging business promotion
- Anyone arguing with the Tech Team or Judges will be disqualified (their decisions are final and non-negotiable)
- Disqualified teams won't get a refund
- The intent of the rules is to provide an equal opportunity for all participants, teams not abiding by these rules will be disqualified

Apple Bin Guidelines

- All racing apple bins must pass a tech inspection before that apple bin can be approved to race
- All apple bin racers must be made of an apple bin or an exact replica. No cutting or chopping to reduce weight. Holes can be drilled for attaching miscellaneous hardware

Apple Bin Parameters

Outside Diameter - 48"x43" (+/- 1")

Height - 24" (+/- 1")

Plywood thickness - 3/4"

Replica drawings are available
